Reflective paper

Reflection: is a process of exploring and examining ourselves, our perspectives, attributes, experiences and actions. it helps your skills and review their effectiveness.

After completing your menu project assignment, you might want to take some time to write two paragraphs discussing the answers of the reflective questions below:

**(100-120 words)**

Think about your own contribution to the project:

What did you learn about yourself by working as part of a team?

What is the problem(s) that you faced? did you overcome, and how?

List two things that you thought other people contributed well to your team.

It was challenging because Tala (my friend) had to stay at her house because she was seriously ill, but we called her on Facetime, and everything turned out okay in the end. My team and I initially found it difficult to use the website, but we eventually mastered it. We remained despite our poor understanding, and after watching a few videos on YouTube, we all managed to figure it out. By that point, I had become very efficient at it. We had received some really creative thoughts from Tala, and I had added to them. We all worked together to accomplish our goals.
