

Topic

3D solid shapes

Objective

To identify and construct 3D shapes and learn their properties.

The required 3D shapes (cube, square-based pyramid, triangular-based pyramid, cone)

Team:

Student's Names:

1. Sura
2. Angelina
3. Raya
4. Fadwa
5.

Resources:

To construct 3D shapes we need the following:

- 1- A4 papers (8 papers)
- 2- scissors
- 3- Glue
- 4- Pencil

Your Submission:

You have to submit four 3D shapes.

We will do this during the class. (we need 1-2 classes)
