Co-Curricular Activities 2023/2024 "School Teams"

Dear Parents,

In line with our school's aim to help our students utilise their free time ethically to meet their spiritual, physical, psychological, social and aesthetic needs and unravel their maximum creative potential and innovative energy, NOS provides free comprehensive students training programme through a variety of athletic, art, scientific, cultural and cognitive school teams supervised by highly qualified trainers from inside and outside the school.

Attached is a detailed programme of the NOS school teams' practices for the 2023/2024 school year, **which will start as of Monday, September 11, 2023**. Kindly select the team(s) your children wish to join, based on the available teams for each stage, and give your approval for them to join their teams' try-outs/auditions, by clicking, one time for each child, on the link in the email to which this letter is attached and then select the team(s) he/she wants to join its try-outs/auditions as in the table below **Maximum by Saturday 9/9/2023**.

Please note that transportation for after school hours try-outs/auditions will **only** be provided for students registered in the bus service. Grades (1-5) students will depart after the end of their try-outs/auditions with the second round at 3:15 p.m. and Grades (6-12) students will depart with the activities round around 4:40 p.m. On practice days, transportation is available **only** for Grades (1-5) students registered in the bus service in the second round at 3:15 p.m. However, transportation will be available for **all grades (6-12) school teams' students living within Amman Municipality area (registered and not registered in the bus service)**. An exception to the above are **Grades (6-12) students living in the Fuheis area whether registered or not in the bus service as there is no activities round available for this area**.

If the minimum number of students set for each team is not reached, we will be obliged to cancel it. Commitment to practices is important and the trainer reserves the right to dismiss any student who disrupts them or misses more than 3 practices without a valid excuse. If your son/daughter passes the try-outs/auditions, you will receive a signed Approval Form from his/her trainer. Kindly sign the form and return it to him/her before the date of the first practice day after try-outs/auditions days.

Kind regards,
School Principal
