

روضة وهبة تماري  
Wahbeh Tamari KG

**Newsletter KG1 & KG2**  
**Kindergarten**  
**September 2023**

Date: Sept. 14, 2023

**Dear parents,**

We would like to inform you that at the beginning of each thematic unit we send you a Newsletter to inform you of all educational objectives, songs and activities that the children will be introduced to. During the first week of kindergarten, children toured our KG to get familiar with its premises and its staff; they agreed upon classroom rules with their teachers and got to know each other. During this week they were introduced to the colour Red, the Circle shape and continue practicing many fine and gross motor skills, listening to stories in Arabic and English and to many different songs.

**Important information**

We kindly ask you to be punctual for pick time, at 1:50pm. We will not be able to hand your children between 1:30 and 1:45 during Bus departure time. Please label your child's belongings (water bottle, jacket, hat.....)

**Thanks and appreciation**

We thank you for your trust in our institution and we ask you to voice your concerns and comments to the direct attention of the kindergarten Principal. We look forward to your constructive suggestions

**Communicating with homeroom teachers**

Please do Not enter the classroom to chat with the teachers. If you have any inquiries you can send an email to the teachers, or a message through the LMS platform or the NOS application. Kindly abstain from calling the teachers on their personal numbers and after working hours.

Kindergarten Principal  
Zahia Shaddad / Abu Khader

**Thank you for your cooperation**
