

The Primary Stage of Grades (1-3) **Subject: Differentiated Tasks**

Date: 21/9/2023

No: S 15/32/25

Dear Parents,

In line with the school's philosophy of implementing differentiated instruction and our belief in students' different readiness levels, teachers will be working in class in accordance with students' levels and abilities.

Thus, some students might receive "skill building" tasks/worksheets to enhance certain skills; other students might receive "challenging" tasks/worksheets to extend learning in some areas.

Hence, if you receive such tasks/worksheets, please do not worry but make sure to follow up with your child on completing them. If you have further questions, you can email the teacher and copy the subject coordinator for clarification.

Warm Regards,
Head of Primary Stage (1-3)
Tamara Nino Abuzeid
