Snowman, Why Are You Here

Excuse me?! / This is fun

Snowman, Why Are You Here

I got this alert! Did you get one too? / You sing nicely! Are you all in a choir?

You are just a little snowman

With your twiggy little snow hands

Why would anybody want to talk to you!

Hmm, Good question! / I'm a good listener

You are super cold and sloppy

And your hat is kind of floppy

Why would anybody care what you can do!

I have many skills / Okay, I'll stand by!

You're gonna melt, you're gonna melt

Drip drip drop

Thanks for the heads up / I'll be careful!

You're gonna melt, you're gonna melt

Get a mop

It's good to be prepared / I think it's in the kitchen

Snowman, Why Are You Here

Well!

Snowman, Why Are You Here

I'd like to help
