

The Primary Stage of Grades (4-5) School Year 2022 - 2023

Name: _____ Subject: Cells worksheet #1

Date: / / Class: <u>Grade Five national (All Sections)</u>

Objectives: -Identify the parts of a cell.

-Differentiate between an animal cell and a plant cell.

Q1: The diagram below shows an animal cell. Label the three main parts of the cell and state the function of each part.

Q2:Describe the function of the following organelles.		
1- Mitochondria:		
••••••	•••••	••••••
••••••	••••••••••	••••••
a. Chilana mia at		
2- Chloroplast:		
•••••••••••••••••••••••		
••••••••••••••••••••••••		
3- Vacuole:		
•••••••••••••••••••		
Q3:Fill in the following table about differences and similarities in		
animal and plant cells by adding a tick (\checkmark) in the correct column.		
	Animal cells	Plant cells
Nucleus		
Cell membrane		
Cytoplasm		
Cell wall		
Chloroplast		
Mitochondria		

Large vacuole
