

The Primary Stage of Grades (4-5) School Year 2022-2023

Name:	Subject: Science
	,

Unit 6: Forces

Worksheet 1: Multiple Forces
Class: Grade 4 CP(All sections)

Date: / /

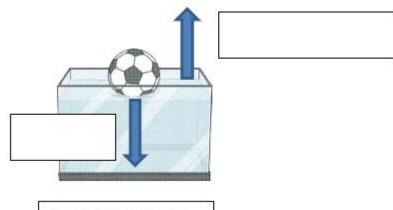

Objective/s:

Identify forces acting on different object, in different situations and directions.

Question One:

Label the following diagrams with the correct forces.

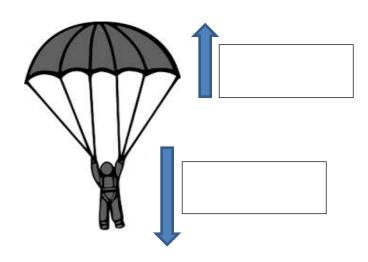

a.

The ball is floating

b.

The parachutist is falling downwards

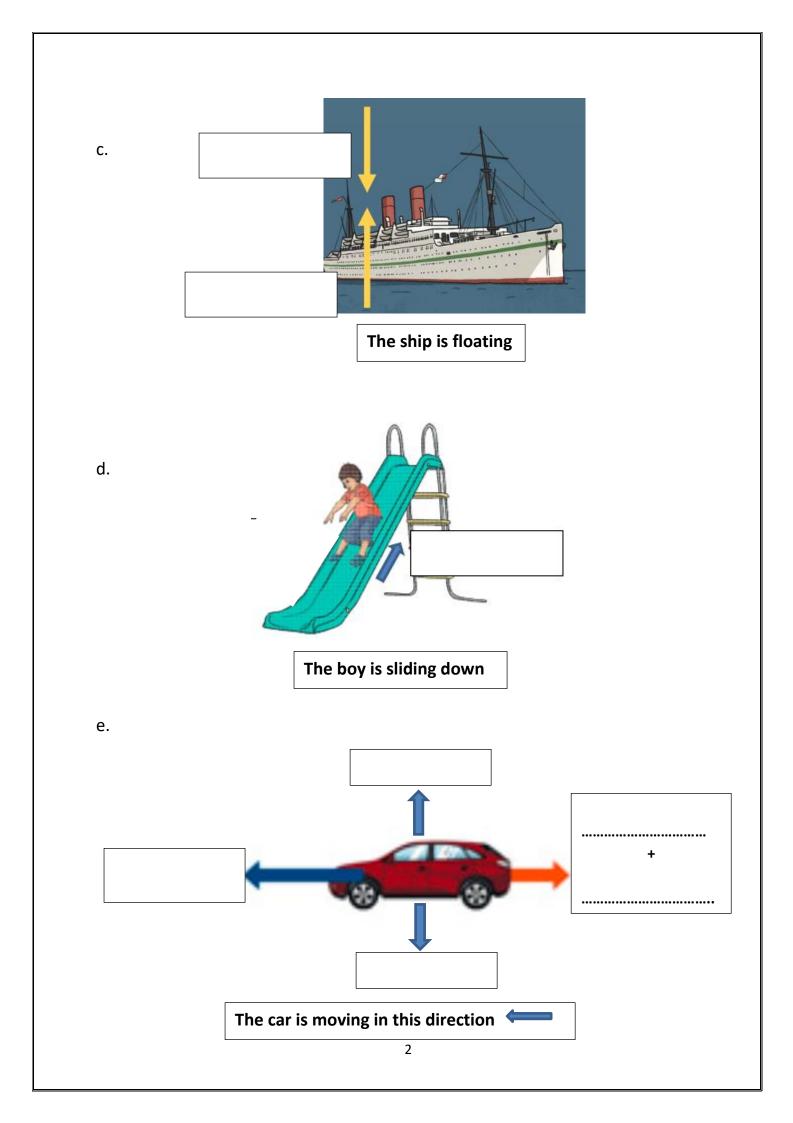

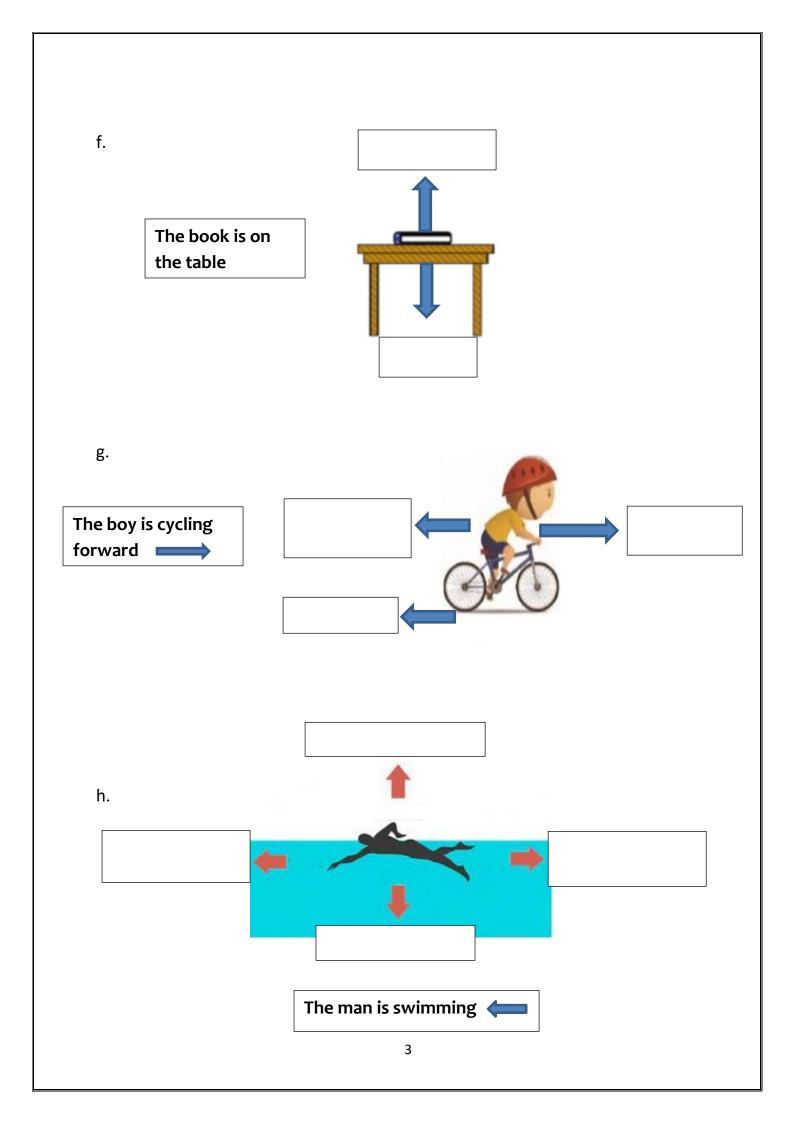

معتمدة من

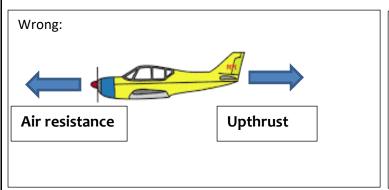

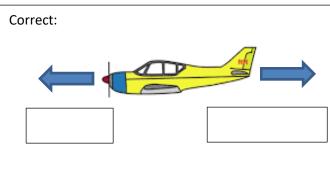

Question 2:

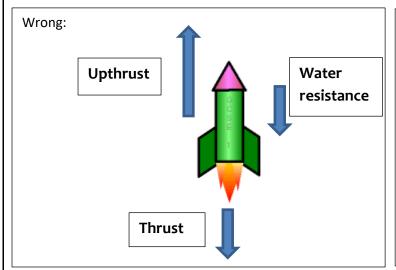

The following force diagrams are wrongly labelled, label the forces correctly.

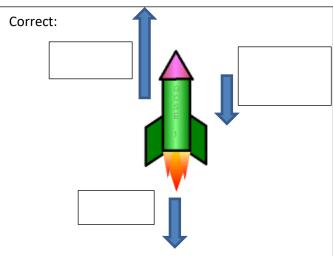

a. The plane is moving in this direction \longleftarrow :

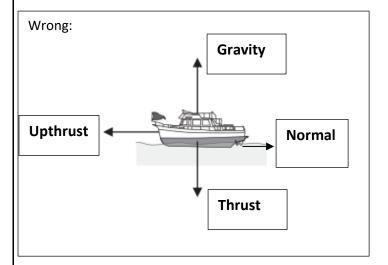

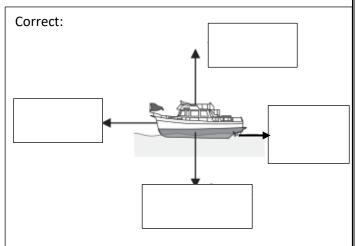

b. The rocket is launched upward:

c. The ship is moving in this direction **===:**

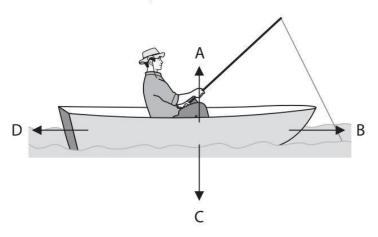

Question 3:

a. The diagram shows forces acting on a boat.

Which arrow represents the direction of upthrust?

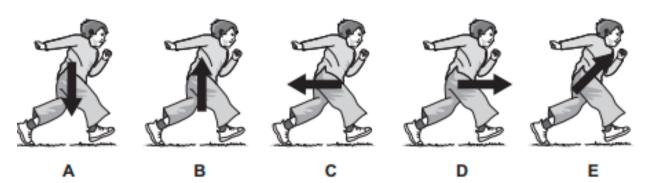

___ A _____ B

___(

ם

b. Pierre has five pictures showing him running.

He draws arrows on the pictures.

(a) Which picture shows the direction of the force of gravity?

Circle the correct answer.

- A B C D E [1
- (b) Air resistance slows him down.

Which picture shows the direction of air resistance?

Circle the correct answer.

A B C D E [

Question 4:

John wanted to investigate the time taken by different sized papers when he drops them. He brought three pieces of paper with the same mass, he left one paper unfolded, folded the second one, and crumpled the third one. Then he dropped the three papers from the same height, and recorded the time taken by each paper to fall to the ground. He repeated his test again

Paper	Time taken to fall to the ground (seconds) Trial 1	Time taken to fall to the ground (seconds) Trial 2
Α	6	5
В	2	2
C	4	3

1- Match the paper with the different size paper.

Paper	Size pf p	aper	
Paper A	Crumpled ball of paper		
Paper B	Half-fold	Half-folded paper	
Paper C	Unfold	ed paper	

1- Suggest a reason why Paper A took the longest time to fall. Explain your answer.
2- Identify the control, the independent and the dependent variables in this investigation.
Control:
Dependent:
Independent:
3- Why did he repeat his investigation more than one time?

4- Draw a bar chart below to represent his results in trial 1.

Title:_____
