

How many times have you wished for a magic wand to do all your jobs around the house? Why is it you have to look after your baby sister at exactly the time your friends call? Who hasn't wished they had more 'me' time? If these scenarios apply to you then I have the perfect solution. Meet Robot 101 – your new best friend. (P.26 workbook)

Don't have time to walk your dog? No problem, we've got you covered! Robot 101 can walk your dog, feed it and even clean up after it. Not only that, but it can also entertain your dog with different games like fetch! Can you think of a better purchase? I bet you can't!

Robot 101 can not only clean your floors; it can also tidy your entire house in a matter of minutes. After a long, hectic day at work, all you want to do is sit back and relax. Well, now you have the chance to do exactly that! Recent studies have shown that people exhibit significant signs of stress because of the extra house work they need to do on a daily basis.

Some might argue that the Robot 101 is not easily operated, especially when it comes to the older generation. However, our technical team has created it to be an extremely user-friendly device which is voice-operated, so even your grandparents can use it with ease. Surveys

have shown that 99% of people over the age of 70 are exceptionally pleased with it.

All in all, whether you have kids, dogs or you simply want to relax in a clean home, Robot 101 is for you. With fantastic features and an amazing price, you can have everything you've ever wanted with just a click of a button. What are you waiting for?
