

The Primary Stage of Grades (4-5) School Year 2022 - 2023

Name: _____

Subject: Science
Worksheet #1: Magnetism

Date: / /

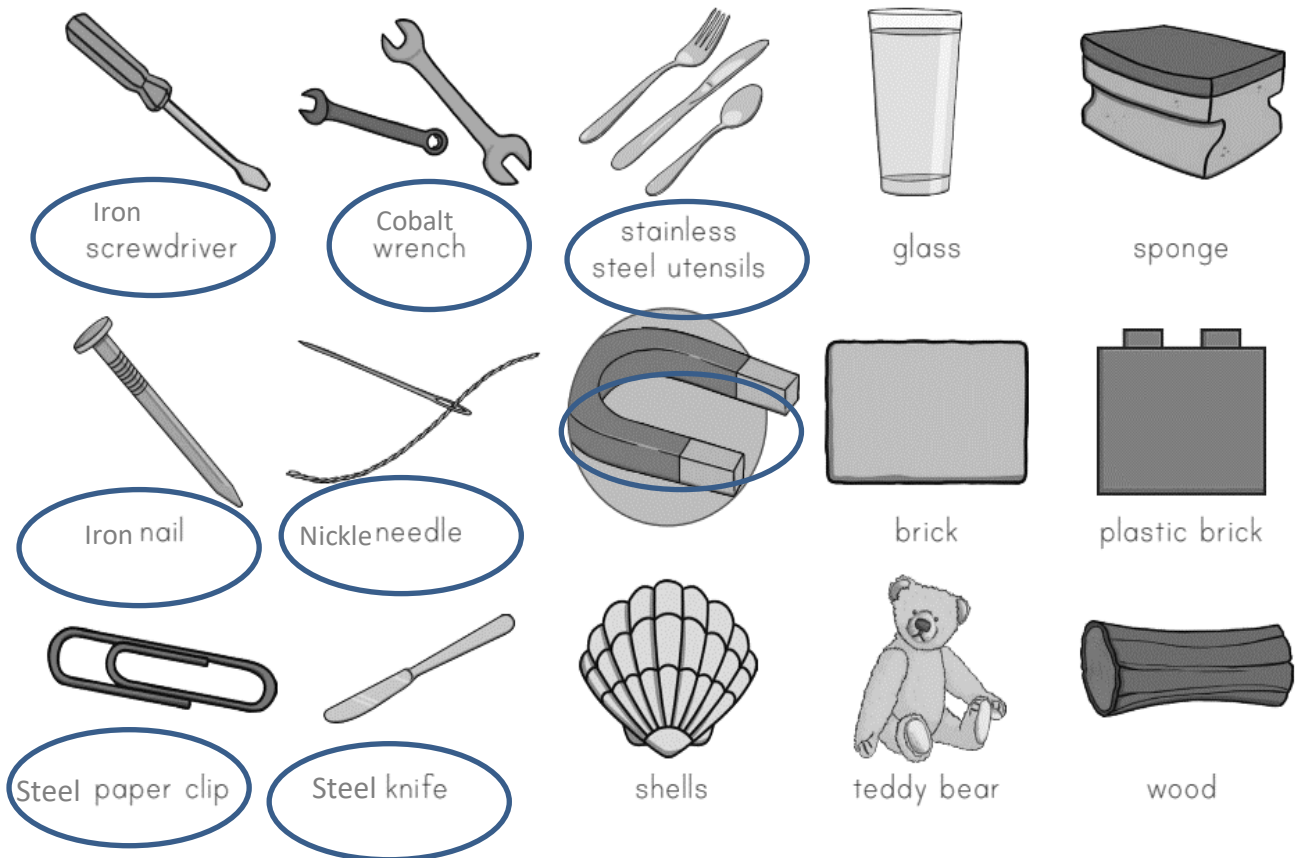

Class: Grade Five National (All Sections)

Objective/s:

- Classify materials into magnetic and non-magnetic.

Question one:

Look at the picture below and circle the materials that are magnetic.

Question two:

Complete the sentences using the word bank below.

Word bank						
repel	north	attract	south	pull	push	poles

- Magnets have two **Poles** One is called the **north** pole and the other is the **south** pole.
- When opposite poles are near one another, they **pull** together. This means the two poles **attract**.
- When two of the same poles are near one another, they **push** away from one another. This means the two poles **repel** each other

Question three:

Draw the magnetic field lines in each of the following cases:
