To reinforce grammatical concepts

Read the following passage then answer the questions.

Start Your Own Online School Newspaper

Now you can create an online student newspaper easy as email! Our web-based software allows you and your students to work anywhere, anytime without special software. Save money by going green and teach 21st century skills at the same time.

Have you been searching for student newspaper templates (school newspaper templates) or other easy tools to help you start and run an online newspaper for your school?

Creating, publishing and operating an online student newspaper is now super easy with yourStudentNews.com! We provide all the features you expect for an online school newspaper plus some!

We are always innovating to keep your online student news ahead of the technology curve. We provide all the technical stuff (hosting, domain name, email, secure web application, etc.) and you and your students provide the content. You get to focus on quality journalism and media rich content and teaching not the technical stuff. Your online student newspaper will develop “a life of its own!”
