Curriculum Vitae

Pediatric transitional year resident

King Hussain Cancer Centre (KHCC)
Work

07/2023 - Present
Amman, Jordan

- I am responsible for every aspect of the patient from admission to discharge (direct patient care).
- Participate in morning grand rounds, conferences and mortality and morbidity weekend reports, in which we discuss what went wrong through the week with the whole team.
- I work with extensive team of residents, fellows and attending physicians which enhance my teamwork and communication skills.
- Do weekly seminars and present them during conferences.
- The hospital follows American guidelines and is affiliated with Saint Jude's hospital.

Most Meaningful - This experience held special significance for me because it emphasized the importance of teamwork in medical education. I found it rewarding to witness my own growth and increasing expertise. Healing the children made me positive that pursuing a career in pediatrics is the right choice for me.

Hands- on elective

Driscoll Children's Hospital
Education/training

03/2022 - 04/2022
Corpus Christi, TX

- Accepted to do one month of hands on clinical experience at Driscoll Children's hospital.
- Spent the month rotating in pediatric nephrology and pediatric surgery.
- Took history and did physical exams to the patients and joined the residents during rounds with the attendings.
- Participated in grand rounds, morning reports and lunch seminars to discuss about important topics in pediatrics.
- Shadowed the attendings in nephrology clinic.

Most Meaningful - My elective at Driscoll Children's Hospital was a dream come true. It reinforced my ultimate goal of pursuing a career in the US. Interacting with the medical staff and learning from their experiences solidified that this is the place I want to be in the long term.

Church scout leader

hometown church
Teaching/mentoring

05/2016 - Present
Amman, Jordan

- Responsible for a group of children (5 to 12 years old) in various scouting activities, each scout leader is responsible for 7 children.
- Conducted various meetings and projects like day-trips, summer camps, egg-hunting event, Christmas markets and bazars to raise money for less fortunate.
- Participated in many scout ceremonies like bridging ceremonies and Sunday service.
- Insuring children safety during the activities, rapid response to emergencies.

Most Meaningful - .

Language Fluency

Language	Language Proficiency	Proficiency Description
<i>Arabic</i>	<i>Native/functionally native</i>	<i>I converse easily and accurately in all types of situations. Native speakers, including the highly educated, may think that I am a native speaker, too.</i>
<i>English</i>	<i>Advanced</i>	<i>I speak very accurately, and I understand other speakers very accurately. Native speakers have no problem understanding me, but they probably perceive that I am not a native speaker.</i>
<i>French</i>	<i>Fair</i>	<i>I speak and understand well enough to have extended conversations about current events, work, family, or personal life. Native speakers notice many errors in my speech or my understanding.</i>

Other Awards/Accomplishments

Graduated with art distinctions during highschool
 third place in Fuad Farraj Competition for scientific creativity (national science fair Competition) - using algae as energy source
 DELF A1 and A2 certified (Diploma of French-language studies)
