Objectives: To write a paragraph using the present simple and the present continuous.

This is Sophie. She wants to improve her life style. She wants to be fit, so she is changing her routine today.

Look at the table and write a paragraph about what Sophie usually does and what she is doing today. Use the present simple and the present continuous.

Usually	Today
go to work by car	walk to work
eat junk food	eat healthy food
not exercise	exercise at the gym
sleep late	sleep early

This is Sophie. She wants to improve her life style. She wants to be fit, so she is changing her routine today. Sophie usually goes to work by car, but today she is walking to work. She usually eats junk food, but today she is eating healthy food. She usually doesn't exercise, but today she is exercising at the gym. She usually sleeps late, but today she is sleeping early.

Make sure to:

1. Leave a space at the beginning of each paragraph.
2. Start your sentences in a capital letter.
